11. For Electrical Inspections: Contact One of the following State-Certified Electrical Inspectors listed below. The same inspector must perform all inspections on this project.

Electrical Inspection, Inc. (859) 746-9111 City of Alexandria must use Electrical Inspection, Inc.
Inspection Bureau Inc. (513) 381-6080

Once a final inspection has been obtained by the appropriate electrical inspector, the Building Inspection Department will need to be advised of the completion of the job. If you can take a photo of the approval sticker in the service panel, please email a copy to our office at sturner@campbellcountky.org. If you

are unable to locate this information, contact our office and schedule an inspector to visit your site.

- 12. **SIGNATURE:** I hereby certify that I am requesting this permit on behalf of all owners of the property and that the information contained in this application and attachments is true and correct and that any misrepresentations or misstatement of facts shall be grounds for denial or revocation of the permit.

I understand that if this property is not the primary residence of the property owner, all work must be completed by a Kentucky Licensed Electrical Professional.

No work shall begin until the proper permits have been issued. If work begins prior to issuance of a permit, all fees may be subject to a penalty equal to the total cost of the permit. The applicant is responsible for meeting all requirements of the Kentucky Building Code and local zoning ordinances. All fees are nonrefundable.
