OLD BUSINESS:

- Master Plan – Pam reported that Martin Koepke is working on our design and will be in touch with us. Fred Salaz proposed that the disk golf course be relocated to the back of the park, in the area between the two dams. The board asked for him to provide a proposal that would include an itemized quote for such a project.
- Haunted Walk –
  - Concessions: Visitor Jan Desmond presented her plans for the concession building, which she is running to raise funds for Christmas in Alexandria. She asked if the building had sufficient electrical supply for the event. Jeremy confirmed it does. The mayor will ask Sam Trapp to clean the concession building and also to locate Rumpke trash containers near concession building. Jan inquired if the disposal recycling containers could be procured from Rumpke for the event.
  - Traffic: Jeremy emailed the police chief, requesting traffic control by the Alexandria Police Department.
  - Generators: Jeremy contacted Art's Rental and got a reduced rate for the board. Rebecca will bring her generator and put it up by the maintenance barn.
  - DJ – Rebecca has confirmed arrangements with him.
  - Set-up—Pam will have small signs made noting that park will close early that day
  - Scary scenes—Rebecca contacted high school groups and assigned three students per scene; requested they come dressed as Zombies.
  - Give-aways—Pam ordered glow necklaces. There is also a large supply from donations Rebecca received from WalMart last year.
• FINS – Steve Hamberg called about the low bass population in our lake. A sampling will be done in the spring. However bass is a costly fish to stock. Steve asked if they could limit the bass catch to one per day. Other stock levels in the park lake are fine.
